Renee, Brianna, & Latonia,

Got one more request in our efforts to clean up data in SDWIS\Fed. Oklahoma has been working with Enforcement to address systems on the ETT list and using the ETTA tool. Attached is a list of violation that don't exist in SDWIS\State and are rejected or delete violations. We are requesting the deletion of these violations from SDWIS\Fed. If you could please keep us in the loop regarding the timeframe and completion of the changes we would greatly appreciate it.

Thanks!

*Nichole*
